SUNCREAM/PROTECTIVE CLOTHING - It is the responsibility of parents/carers to apply sun cream to their child before arrival at pre-school. There are many sun creams on the market now that can be applied once at the beginning of the day that will safely protect your child during the length of their session or day at pre-school. Thin long sleeved tops also offer a good level of sun protection. We encourage the children to wear hats and stay undercover between 11 am and 1 pm. Please sign below to confirm that you understand that it is your responsibility as parent/carer to ensure that your child/children are appropriately protected with sun cream for the duration of their session/day at pre-school.

Consent for my child to leave Noah's Ark Preschool on spontaneous outings

I give consent for the child named overleaf to take part in spontaneous outings – such as visiting the post office, walking to Tescos, feeding the ducks. Planned outings will still require a permission slip for my child to attend. I understand that it may not be possible to know in advance when my child is leaving the setting. I understand that staff will always risk asses the outing and there will always be a minimum of 2 staff on the outing, 1 of whom will be at least level 3 qualified.

I understand that a residing parent can withdraw this consent at any time.

Please advise of any concerns – fear of water, doesn't like holding hands, running off or anything – no matter how trivial, that we need to know about:
